

Task # 1  
Grade 2 Shared Reading Article- **The Super Ant**

1. **Use** evidence from the text, and **write** or **draw** the **context clues** that the author used to help the reader know what the word **peril** means.

**The author used an example of what peril means. He (writes, tells) about a giant human shoe crashing down on ants. A human is really big compared to an ant. Peril must mean dangerous,**

**Directions:** Use **evidence** from the text and **draw the context clues** that the author used to let the reader know what **peril** means.
